    - 3.1.3. The Transaction is made to selected Pocket Merchants;
  - 3.2. Each transaction must meet the spending requirement, as outlined in Clause 3.1 in this T&Cs.
  - 3.3. Transactions must be made at different branches of eligible merchants each day to qualify as a unique check-in.
  - 3.4. You may spend at the same merchant again on the following day, and the transaction will count as a new check-in.
  - 3.5. **Unique Check-In** = A completed transaction by a customer at any participating merchant, **per branch on a daily basis**.
  - 3.6. Transactions must be made at different branches of an eligible Participating Merchant on the same day to qualify as separate Unique Check-Ins.
    - 3.6.1. However, the unique-branch limitation does not apply to Total Monthly Spending.

#### 4. How to Participate:

##### 4.1. Activity 1: Monthly Tier-Based Miles Conversion

- 4.1.1. Participants may earn Royal Skies miles throughout the Campaign, based on a Tier system determined by the User's combined Check-ins and Total Monthly Spending within a calendar month.
- 4.1.2. **Tiers Conversion**
  - 4.1.2.1. The applicable Tiers consist of Total Monthly Check-Ins and Total Monthly Spendings.
  - 4.1.2.2. The applicable Tiers are as follows:
    - 4.1.2.2.1. Tier 1 = 0.5 miles per BND1 spent
      - 4.1.2.2.1.1. Total 5 Check-ins and BND50 Monthly Spending
    - 4.1.2.2.2. Tier 2 = 0.8 miles per BND1 spent
      - 4.1.2.2.2.1. Total 15 Check-ins and BND250 Monthly Spending
    - 4.1.2.2.3. Tier 3 = 1 miles per BND1 spent
      - 4.1.2.2.3.1. Total 30 Check-ins and BND1,000 Monthly Spending
  - 4.1.2.3. Both the Check-in requirement and the Total Monthly Spending requirement of a Tier must be met within the same calendar month for that Tier's miles conversion rate to apply.
  - 4.1.2.4. Each month, User(s) earn Royal Skies miles based on the Tier fulfilled. This means the User has hit **both the Check-in count and the spending amount for that Tier** as outlined in clause 4.1.2 of this T&C.
    - 4.1.2.4.1. If the User's Check-ins and spending land them in different Tiers (e.g. your Check-ins qualify for Tier 3 but your spending only qualifies for Tier 2), User will get the rate of the lower Tier —

since a Tier only counts as unlocked once both conditions are met.

- 4.1.2.4.2. If a User does not hit Tier 1 (5 Check-ins + BND50 spent) at all, the User will not earn any miles that month.
- 4.1.2.4.3. User(s) who do not meet the Tier 01 requirements (5 Check-ins and BND50 Total Monthly Spending) within a calendar month will not be eligible for Royal Skies miles conversion for that month.
- 4.1.2.5. Total Monthly Check-ins, Total Monthly Spending, and Tier progress reset at the start of each calendar month and do not carry forward to subsequent months.
- 4.1.2.6. Eligible transactions that qualify as a unique Check-in and count towards Total Monthly Spending are categorised as follows:
  - 4.1.2.6.1. **Different Participating Merchants on the same day:** The first eligible transaction completed at each different Participating Merchant branch on the same day will count as a separate Check-in. The value of every eligible transaction will count towards Total Monthly Spending, including subsequent transactions at the same branch on the same day.
    - 4.1.2.6.1.1. **Example:** Transaction 1 at De Coffee Kiulap and Transaction 2 at Nasi Ayam Mentiri will count as two separate Check-ins. A second transaction at De Coffee Kiulap on the same day will not count as an additional Check-in, but its value will still count towards Total Monthly Spending.
  - 4.1.2.6.2. **Different branches of the same Participating Merchant on the same day:** The first eligible transaction completed at each different branch of the same Participating Merchant on the same day will count as a separate Check-in. The value of every eligible transaction will count towards Total Monthly Spending, including subsequent transactions at the same branch on the same day.
    - 4.1.2.6.2.1. **Example:** Transaction 1 at De Coffee Kiulap and Transaction 2 at De Coffee The Mall will count as two separate Check-ins. A second transaction at De Coffee Kiulap on the same day will not count as an additional Check-in, but its value will still count towards Total Monthly Spending.
- 4.1.2.6.3. A Participating Merchant branch transacted on a given day becomes eligible again for a new Check-in on the following day. All otherwise eligible transaction amounts will continue to

count towards Total Monthly Spending regardless of whether the branch has already earned a Check-in that day.

- 4.1.2.7. No minimum spend is required to earn a Check-in for the purposes of this clause.

#### 4.2. Activity 2: Giveaway Draw Mechanics — Check-ins & Entries

##### 4.2.1. How to Participate / Campaign Mechanics

Multiple Check-ins may be earned in a single day by transacting at different Participating Merchants and their branches (if applicable).
- 4.2.1.5. Upon collecting the corresponding number of Check-ins, participants will be awarded Entries to the Draw, as follows:
