

## INFLIGHT ALLERGY NOTICE

(For passengers with allergy/ies)

1. Royal Brunei Airlines Sdn Bhd (“RB”) requires passengers with allergy/ies to give BI advance notice of 48 HOURS before the intended departure date in order for BI to provide allergen-free meal.

2. However, please be aware that:

(a) RB does not offer allergen free flight as we do serve nuts as snacks onboard and our meals may contain traces of nuts, wheat, dairy products, eggs, fish and other allergen substances that may not suit your diet.

(b) RB cannot guarantee that the meal has been prepared in an allergen-free kitchen and/or has had no cross-contamination with any allergen products within the various flight kitchens and catering services which are used throughout BI’s network. Therefore, we encourage you to bring your own meal onboard if you and/or any member of your family are allergic.

3. The passenger is advised to take all necessary precautions to avoid and/or control the onset of allergies by bringing onboard medications, medical mask or devices that might become necessary should a passenger incur an allergic reaction during the flight.

4. BI has no control over other passengers who may bring in and consume their own food items containing peanut or any other allergen products onboard BI flights.

5. The foregoing notwithstanding, in cases of severe allergy, BI reserves the right to deny boarding on the basis of safety.
