## 1 Kampong Ayer Tour – 2 Hours

### Overview

🕒 Tour departs **0830** and **1330** hours. Tour commences 30 minutes earlier for hotels located outside city areas.

☀️ Bring sunscreen lotion, a hat and/or wear long sleeves for the boat ride

♥️ Afternoon tour is recommended for sunset view (if weather permits)

*Wooden speedboat in Kampong Ayer*

Kampong Ayer, one of the world's largest water villages, has hovered over the shallows of the Brunei River for at least four centuries and currently houses an estimated 30,000 people. During the 16th Century, Kampong Ayer was a bustling community of 25,000 people. It's no wonder that this labyrinth town on stilts impressed the Magellan expedition back in 1521.

Now, despite being furnished with modern facilities, the water village retains its traditional, colourful, and lively atmosphere. This tour captures the essence of a water villager's lifestyle with a home visit for tea and local cakes. Take a visit to the Kampong Ayer Cultural and Tourism Gallery, which comprises of five mini-galleries. The galleries display the different

facets of Kampong Ayer, beginning from the 10th century up to present day life. The exhibits also include archaeological findings, items from contemporary culture, pictures, map, and photographs.

You will be travelling in a wooden boat which is an experience of its own. Life jackets are provided.

## 2 Brunei's Proboscis Monkey Tour – 2 Hours

### Overview

🕒 Tour departs **0700** and **1600** hours. Tour commences 30 minutes earlier for hotels located outside city areas.

☀️ Bring sunscreen lotion, a hat and/or wear long sleeves for the boat ride

♥️ Afternoon tour is recommended for sunset view (if weather permits)

*Proboscis Monkey*

The endangered Proboscis Monkey is indigenous only to the island of Borneo. This popular tour takes you on a leisurely cruise through the mangroves in search of these illustrious primates while the guide describes the pristine nature of the Nipah Palm and Mangroves forests. Whilst searching for the Proboscis Monkey, it is not uncommon to see various birds of prey, king fishers, mangrove snakes, monitor lizards, otters, flying foxes, and even salt water crocodiles. Relax and enjoy the evening sunset and gaze at the spectacular sight of hundreds of egrets flying back to the mangrove trees before dusk.

Travelers will be provided with boat rides and an experienced guide.

### 3 City Tour – 3 Hours

Brunei's past and present are combined in this comprehensive city tour, driving you to Brunei's famous places of interest. The tour starts with a drive past the various landmarks in the city centre from Taman Haji Sir Muda Omar Ali Saifuddien to Darussalam palace. Learn Brunei's collection of Malay and Muslim heritage and the national history collection as we drive past some of the museums. Passing by the tombs of Brunei ancient rulers before the final stop at the Kota Batu Archaeological Park.

## 10 Tasek Merimbun – 4 Hours

Overview

🕒 Tour Departs **0600 hours**

📷 Excellent for birders and macro photography enthusiasts

The unique black water lake known as Tasek Merimbun is the largest lake in Brunei. Two rivers, Sungai Meluncur and Sungai Bang Oncom, flow into the lake. The waters from the two rivers are almost black because they flow through swamp forests full of peat on their way to the lake. Tasek Merimbun naturally has an unusual S-shape. There is a small island in the center, which is accessible by way of a timber walkway. This is a good place for picnicking around the lake, exploring the forest, wildlife spotting and bird watching.

## 11 Chasing Waterfall – 6 Hours

Overview

 Tour Departs **0630 hours**

 Wear proper hiking gear and footwear. Advised to bring extra clothes and shoes on this tour.

There are more than 40 waterfalls in Teraja, spread out across hilly terrain and separated by rocky streams, making proper hiking gear and boots a must. Easy hikes and wading through cool, refreshing waters are the perfect introduction for nature enthusiasts to Brunei's pristine, natural wealth.

Apart from the astonishing waterfalls that situated in the region, a venue that seems to be swallowed by the dense jungle is the Teraja Longhouse. A place that seems to be forgotten by many in the current fast-paced world and is living in its momentum sits just at the location. A trip down to the venue will allow you to experience a distinctive lifestyle that is scarcely in practice in the present world. On Sunday, special cultural performance may also be requested at an additional cost that will enable visitors to learn more about the age-old culture.

## 12 Thursday Market & Dusun Cultural Experience – 8 hours

Overview

🕒 Tour Departs **0615 hours.**

The Homestay Alai Gayuh Anak Pulau (HAGAP) is located deep in the pristine forest of the Tutong district, isolated from the nearest residential area by approximately 20 minutes' drive, just like Dusun houses in the past and located on a manmade lake. Not to worry, there is modern plumbing available in a separate building on land with separate bathrooms for men and women.

From the deck of the house, guests can comfortably bird-watch the many species that live in the area as they fly by and go about their daily lives. Guests will be guided into the forest, where they can look at all the different species of trees and plants that exist in the forest in abundance, far from the interference of people. If one is lucky, they can also catch glimpses of the much bigger wild animals in the area, including mammals such as gibbons, wild boars and deer as well as reptiles such as snakes and monitor lizards.

## 13 Temburong Longhouse Excursion Tour – 6 Hours

Overview

 Tour Departs **0830 hours.**

### Note

It is advisable if guests request to provide gifts to the Ibans to express their gratitude

This tour is a comprehensive tour on the history, culture and tradition of the people of Temburong. A reflection on the olden days of Brunei, the tour will also showcase the belief and traditions of the native Iban people and how they all live under one roof.

Pick-up from the hotel at 0830hrs and proceed to the Bumbungan 12 Jetty. Board a local public speedboat for a scenic boat ride through mangrove-lined water-ways; you may be able to see some of the local wildlife along the way. Upon arrival to the charming town of Bangar, enjoy some light refreshments, like Wajid Temburong (a sweet glutinous rice snack folded in leaves) at the market (Tamu), a place where locals buy their daily products and fruits.

Then followed by the visit to one of the Iban longhouse. Along the way you will be mesmerized by the beautiful countryside of Temburong District. See the local houses, schools, and natural landscape surrounding the district. Upon your arrival, your guide and host will brief you about the longhouse history, the Iban culture and their way of life.

You will learn how to cook a traditional dish of the tribe people with chicken and glutinous rice in a bamboo. To further enhance guests' experience of the tribe, pipe blowing and mat weaving will be demonstrated and you will get to try at both activities.

Trek through the forest along the river to experience how the Iban tribes hunt and survive.

Lastly, lunch will be served with Iban style cooking. Like the Ibans, you will sit on the floor to eat your meals. Depart to Bangar and return back to the capital via the local speedboat.

## 14 Ulu-Ulu National Park Resort – Day Tour

### Overview

 Tour Departs **0715 hours**. Tour commences 30 minutes earlier for hotels located outside city areas.

### Note

The itinerary is only a reference. Tour guide reserves the right to change itinerary due to unforeseen circumstances or weather conditions

*Canopy Walk in Temburong*

The journey begins from your respective hotel. Pickup from the hotel to Bumbungan 12 Jetty for the Ulu Ulu Resort Day Trip tour.

As a brief introduction, The National Park is situated within the Batu Apoi Forest reserves and lies at the confluence of the Temburong and Belalong Rivers. Covering an area of 50,000 hectares, only 100 hectares is designated as park visitation area, thus the park is a safe haven for flora and fauna. There is no human or modern encroachment in this area except for the field research centre in Ulu Belalong. The biodiversity of this area is one of the best in the world.

The journey to the national park itself is an adventure where you go pass winding river tributaries lined with Nipah palms and mature mangrove trees. Upon reaching Bangar town, we proceed by land to Batang Duri jetty where you will be transported to the national park using long boat called “temuai” driven by skilled locals manoeuvring pass several rapids. When we reach the Ulu Ulu Resort, we will pass by the beautiful Villas with elegant accommodation. We will then proceed to the Club Lounge for Welcome Drink while viewing

some exhibits and specimens from the National Park, and take a walk to the nearby, Souvenirs, Gifts & Sundries shop.

After doing these activities, we proceed to the Dining hall at Valley Café for Lunch.

- 0715 hrs Meet and pickup from your hotel to Bumbungan 12 Jetty
- 0730 hrs Board a speedboat for a scenic boat ride through mangrove-lined waterways
- 0830 hrs Arrive Bangar Town (Temburong District) and depart by vehicle to Kg. Batang Duri
- 0850 hrs Arrive Kg. Batang Duri, safety briefing before boarding the Longboat called Temuai and proceed up river passing between pebbly sunbaked banks, where colourful butterflies congregate and beneath the shady branches of giant tualang trees (*Dipterocarpus Oblongifolius*) before reaching Ulu Ulu Resort, Ulu Temburong National Park.
- 0930 hrs Upon arrival at Ulu Ulu Resort, walk up to the Registration Jetty to register your names and other personal details as required by the Forestry. Once you fill in the form, guide will lead you to the Club Lounge for Welcome Drink and snacks
- 1000 hrs After your welcome drink, you will go back to the Registration Jetty where your tour guide will give you 2 options:

#### **Option A: The Canopy Walk**

The Canopy Tower itself, requires approx. 850 steps going uphill, you will reach the canopy tower which consist of 5 aluminum structure, averaging 40 – 50 meters in height.

This activity is only recommended for those who are physically fit, healthy, and not afraid of heights. Please note that from 930hrs to 430hrs, the weather is hot and humid and trekking to the canopy tower is very taxing and not much can be seen except experiencing the rainforest environment. The best time to go to the canopy is sunrise and sunset time; this can only be done with an overnight stay.

#### **Option B: Stay and Relax at the resort**

Ulu Ulu Resort sits on the edge of the 50,000 hectares of pristine rainforest. This location has observation decks, areas where you can relax on the hammocks, good range of flowers, trees, herbs and other plants that

attract birds, insects, and butterflies, for you to observe or take a photograph. If time permits, you will have the chance to water tube in the Temburong River (Note: only available for those who can swim) and trek to the mini water fall. After which, you can enjoy a hot shower at Ulu Ulu Resort.

One (1) bath towel will be provided per person. (Free flow of coffee and tea. The resort's drinking water is pumped from the river and goes through a 5-stage particle filtration and a final stage through a drinking water filtration. The water is not chlorinated).

## 18 Ulu-Ulu National Park Resort – 2 Days 1 Night

### Overview

Accommodation included

Tour Departs **0900 hours**. Tour commences 30 minutes earlier for hotels located outside city areas.

### What to bring along

Please bring along a set of dry clothes, footwear that you won't mind getting wet in (preferably sandal with strap), hiking shoe, swimwear, personal toiletries, rain coat, torch, binocular, hat, insect repellent and small backpacks for your luggage (no porter available). Bath and face towel, toilet roll and facial tissue are provided at the resort.

### Note

The itinerary is only a reference. Tour guides reserves the right to change itinerary due to unforeseen circumstances or weather conditions.

An excellent tour for nature lovers or just to get away from the hustle and bustle of city life. The national park is 50,000 hectares of pristine rainforest with one of the best biodiversity in the world. You will experience up close the wonders of the rainforest; listen to the orchestra of nature's music by the insects, birds and animals. This tour is rated as a soft adventure and suitable for those reasonably fit as there are many steps to climb and some slippery, wet tracks and uphill hiking. The journey to the national park from Bandar Seri Begawan (B.S.B.) is itself interesting as you go on three different modes of transport and see the change in vegetation (plenty of photo opportunities). The trip departs Bandar Seri Begawan in the

morning and we will proceed by public speedboat to Bangar town before we go overland to Batang Duri. At Batang Duri, we will ride on a long boat called Temuai up the rapids to the national park.

After registration and lunch, we will proceed for water activities which include guided kayaking trip between the Belalong River and the Two River Terrace. After kayaking, you will continue with tubing activity which starts from the registration jetty to the Outward Bound area. Trek for five minutes to the mini waterfall, swim and then return to the resort. A slideshow about the resort and national park will be presented at Valley Café before dinner. All meals are specially prepared by the resort, which are based upon local favourites and they are excellent too. Stainless Steel Bottle is also provided for water refill at the resort. After dinner, we will continue with a guided jungle walk.

## Day 1

0900 hrs	Meet at the hotel's lobby
0930 hrs	Board speed boat for scenic boat ride along the mangrove-fringed waterways
1030 hrs	Arrive at Bangar Jetty and overland transfer to Batang Duri Jetty
1050 hrs	Safety briefing at Batang Duri Jetty before boarding a long boat called Temuai. Travel upriver to Ulu-Ulu Resort at the Ulu Temburong National Park, passing by pebbly sunbaked banks.
1135 hrs	Register and proceed for welcome drink at the Club Lounge. Our guide will show all types of facilities that are offered at the resort.
1230 hrs	Lunch will be served at Valley café. Free at leisure after lunch
1400 hrs	Check into room and prepare for water activities
1410 hrs	Walk to the Two River Terrace for guided kayaking trip. This activity will take approximately one hour and will end at the registration jetty. Proceed for river tubing activity, visit the mini waterfall and swim
1630 hrs	Back to the resort to freshen up and afternoon tea
1730 hrs	Gather for a slide show presentation about the resort
1900 hrs	Dinner will be served at Valley Café
2000 hrs	Proceed for night jungle walk (bring along flash light)

## Day 2

On day 2, morning call will be at 4.30am and after a light breakfast, proceed to the canopy walk for the sunrise view that literally takes your breath away. ## 19 Ulu-Ulu National Park Resort – 3 Days 2 Nights

### Overview

Accommodation included

Tour Departs **0900 hours**. Tour commences 30 minutes earlier for hotels located outside city areas.

### What to bring along

Please bring along a set of dry clothes, footwear that you won't mind getting wet in (preferably sandal with strap), hiking shoe, swimwear, personal toiletries, rain coat, torch, binocular, hat, insect repellent and small backpacks for your luggage (no porter available). Bath and face towel, toilet roll and facial tissue are provided at the resort.

### Note

The itinerary is only a reference. Tour guides reserves the right to change itinerary due to unforeseen circumstances or weather conditions.

An excellent tour for nature lovers or just to get away from the hustle and bustle of city life. The national park is 50,000 hectares of pristine rainforest with one of the best biodiversity in the world. You will experience up close the wonders of the rainforest; listen to the orchestra of nature's music by the insects, birds and animals. This tour is rated as adventurous and suitable for those reasonably fit as there are many to climb with some slippery and wet tracks and uphill hiking. The journey to the national park from Bandar Seri Begawan (BSB) is itself interesting as you go on three different modes of transport and see the changes in vegetation (plenty of photo opportunities). The trip departs BSB in the morning and we will proceed by public speedboat to Bangar town before we go overland to Batang Duri. At Batang Duri, we

will ride on a long boat or temuai up the rapids to the national park. At Batang Duri, we will board the temuai (longboat) up the rapids to Ulu Ulu Resort.

After registration and lunch, we will proceed for water activities which include guided kayaking trip between the Belalong River and the Two River Terrace. After kayaking, you will continue with tubing activity which starts from the registration jetty to the Outward Bound area. Trek for five minutes to the mini waterfall, swim and then return to the resort. A slideshow about the resort and national park will be presented at Valley Café before dinner.

All meals are based upon local favourites and they are excellent too. Stainless Steel Bottle is also provided for water refill at the resort. After dinner, we will continue with a guided jungle walk.

### **What to Bring**

Please bring along a set of dry clothes, footwear that you won't mind getting wet in, swimwear, toiletries, torch, hat, snacks (if needed), insect repellent and raincoat.

As our practice to minimize the usage of plastic, a stainless environmental water bottle will be given complimentary to our overnight guests and water is available to fill/refill your bottle at the resort.

It is recommended to use rubber or waterproof shoes or sandals (see sample picture):

Baggage limitation to be brought to the national park are as follows. It is recommended to use waterproof bag for your belongings.

- Backpack / small bag for daytrip
- 7 kg for 1 night stay
- 10 kg for 2 nights stay
- 15 kg for 3 nights stay

Extra luggage can be kept in our headquarter office if necessary and make sure it is locked.

### Required Details

- Names with passport number and nationality for the public speedboat registration.
- Meal(s) dietary restrictions.

### Transportation and Traveling Time

Ulu-Ulu National Park Resort is located within the Ulu Temburong National Park, getting there requires boat rides in speedboat from Bandar Seri Begawan (B.S.B.) to Temburong, and then by 'Temuai' longboat to Ulu-Ulu National Park Resort.

The boarding time for the public speedboat and the duration of the longboat ride are subject to change. For the public speedboat, it depends on the speedboat availability and the longboat ride depends on the water level. In the case that the water level is low, it might need you to push the longboat - enjoy the adventure! :)

All possible details would be provided to our third party operators and assist them to provide the service to our level of standard and expectation but sometimes beyond our control, the services may not be to our full request and may cause delay. The situation where there is a delay and clients wish to change to private basis will be subjected to cash payment and the amount will depend on availability of vehicle and tour assistance.

We consider the safety of our guests as one of our top priority: When in speedboat: Guests must stay in their seats especially when the speedboat is making turns. When in Longboat 'Temuai': Guests must wear lifejacket at all times, to keep your hand within the 'temuai' longboat and to stay at their seats.

Tourists going to Ulu Ulu Resort are requested /recommended to bring along their actual passport in a water proof bag in case of unavailability of speedboat, there is the option of overland (going pass Limbang, Sarawak) and will cost an additional of B\$100 (cash payment) limited to max 5 persons per vehicle for this 1 way transfer to be paid directly to our company. Guests are to check on their visa and to make sure that your passport are valid to take this journey and to re-enter Brunei.

Tourists are highly recommended to have one day buffer when visiting Ulu Ulu National Park Resort. If you have a flight on the same day, we recommend you not to do the day trip. If you are on an overnight package, please make sure your flight is in the late afternoon of the days you are leaving the resort.

Tourists are reminded that we are not responsible or liable for any compensation for any delay caused as this tour may have delays caused by unforeseen circumstances such as weather or lack of speed boats but is a rare occurrence (it happened once in our 6 years of operation!!) but nonetheless, we like to always bring awareness and have preparation for any incident as we like to make sure our clients are well prepared and enjoy the experience of our tour packages in whatever circumstances.

### **Important Notes**

This is an adventure tour which is highly **NOT** recommended to those with walking disabilities or which require aid to walk such as wheelchair etc., height phobia, problem in balancing, heart problem & medical problems, who do recent operation before the date of the tour, pregnant ladies and child under 7 years old due to the resort is not yet equipped with child's facilities. If guests insist to bring their child/children aged under 7 years old, it will be under guest's own care and responsibility.

There is no internet or phone connection at the resort (only at certain area but still very much subject to availability) as it is located in a remote area.
