

Royal Brunei Operating Flights – March / April 2020

With the rise in the outbreak of the coronavirus (COVID-19) globally and numerous travel restrictions from various Governments, demand for air travel across the world has declined significantly. Royal Brunei will therefore operate a revised and substantially reduced flying program across March and April.

A new temporary flying program will operate from 12:01am on 23 March 2020 to 11:59pm on 30 April 2020, directly connecting Brunei to Singapore, Melbourne, Hong Kong and Manila only. This retains vital connectivity for services, supplies and the small numbers of guests who must and are able to travel onto other destinations.

All other flights not shown below are not operating during March and April 2020.

Details of all operating flights are shown below.
