

Royal Brunei Operating Flights – August to October 2020

With the ongoing impact of coronavirus (COVID-19) globally and numerous travel restrictions from various Governments, demand for air travel across the world has declined significantly. Royal Brunei will therefore operate a revised and substantially reduced flying program across August to 25 October 2020.

A new temporary flying program will operate until 11:59pm on 24 October 2020, directly connecting Brunei to Kuala Lumpur, Singapore, Melbourne, Hong Kong, Hangzhou and Manila only. This retains vital connectivity for services, supplies and the small numbers of guests who must and are able to travel onto other destinations.

At the current time, transit through Singapore Changi Airport is not permitted although an application process is underway with the Civil Aviation Authority of Singapore (CAAS).

The suspension of RB Link flights to Borneo destinations in partnership with Malindo Air will remain in place until 30 November 2020. The suspension will be reviewed regularly in line with demand for international air travel and government directives in place then.

Guests on affected flights will be contacted by our RB Customer Service Centre over the coming days. We're currently experiencing extremely high call volumes, please refrain from calling unless you're travelling in the next 72 hours so we can help those needing urgent rebooking. Guests may submit a [Request Form](#) for us to process your requests.

All other flights not shown below are not operating from August to 25 October 2020.

Details of all operating flights are shown below.
