

Royal Brunei Operating Flights until 31 January 2021

With the ongoing impact of coronavirus (COVID-19) globally and numerous travel restrictions from various Governments, demand for air travel across the world has declined significantly. Royal Brunei will therefore operate a revised and substantially reduced flying program until 31 January 2021.

A new temporary flying program will directly connect Brunei to Kuala Lumpur, Singapore, Melbourne, Hong Kong, Hangzhou and Manila only. This retains vital connectivity for services, supplies and the small numbers of guests who must and are able to travel onto other destinations.

Guests on affected flights will be contacted by our RB Customer Service Centre over the coming days for alternative flight arrangements. Guests may also submit a [Request Form](#) for us to process your requests.

All other flights not shown below **are not operating** through the period until 31 January 2021.

Please note it is our guests' responsibility to ensure they meet the travel criteria and have all appropriate approvals and documentation. Without this RB is not permitted to allow guests to travel in-line with international air transport regulations.

Details of all operating flights are shown below.
