

## Royal Brunei Operating Flights

With the ongoing impact of coronavirus (COVID-19) globally and numerous travel restrictions from various Governments, demand for air travel across the world has declined significantly. Royal Brunei will therefore operate a revised and reduced flying program.

A new temporary flying program will directly connect Brunei to Kuala Lumpur, Singapore, Melbourne, Hong Kong, Hangzhou, Manila, Jakarta, Surabaya and London only. This retains vital connectivity for services, supplies and the small numbers of guests who must and are able to travel onto other destinations.

Guests on affected flights will be contacted by our RB Customer Service Centre over the coming days for alternative flight arrangements. Guests may also submit a [Request Form](#) for us to process your requests.

Please note it is our guests' responsibility to ensure they meet the travel criteria and have all appropriate approvals and documentation. Without this RB is not permitted to allow guests to travel in-line with international air transport regulations.

**Details of all operating flights are shown below.**

Note: (1) Schedule is subject to change and is right during the time of publication; (2) "v.v." means vice versa; and (3) All other routes and flights that are not shown above are not operating.

\*Royal Brunei is still operating **flights to/from Melbourne**, however, the carriage of passengers into/out of Melbourne, Victoria, is limited to those meeting the criteria set out by the Australian Government. Please note it is our guests' responsibility to ensure they meet the travel criteria and have all appropriate approvals and documentation. Without this RB is not permitted to allow guests to travel in-line with international air transport regulations.
